

Florida Timber Recovery Block Grant (TRBG)

What documents and information do I need to prepare prior to my Timber Grant Appointment?

Please prepare the following documentation for your intake phone call with your account manager.

1. Federal Tax ID # if applying with a business entity, Social Security # if applying as an individual
2. Contact information of authorized agent/point of contact of business entity if applying on behalf of a business or individual owner
3. County name(s) AND parcel identification numbers of ALL parcels that have timber stands you are applying for. It is important to have this list ready to expedite the process of the site inspection. If you need help identifying your parcel ID #s, work with your account manager on your intake phone call to verify.
4. Insurance Payment: Did you file/receive an insurance payment or federal financial assistance for damage to your timber crop as a result of Hurricane Michael? If yes, have those documents ready to review. If no, then disregard this question.
5. The next few items may or may not be used in the process of reviewing your application, but please have them ready if you have these documents:
 - a. Land management plan and associated farm/stand maps
 - b. Timber planting records
 - c. Third party loss certification(s) from damage incurred from Hurricane Michael
 - d. Site photos, aerial photography, or satellite imagery of your timber stands
 - e. If you currently operate the timber stand with a lease, please have the lease ready for your call to review
 - f. If your ownership situation requires a Power of Attorney (POA), please have a copy ready to review
